

Hello Homebase Students and Families!

As we finished the month of September I want to share with you that we have had a great start to the school year! September's Homebase focus at Lake Middle School was "**Team Building**" and many of our Homebase class discussions and activities supported that focus. This past month our Homebase class has truly worked towards becoming a "team" as we have gotten to know each other better!

As we start the month of October this week our emphasis will be "**Organization!**" I look forward to partnering with you to keep our students **successfully organized** in the month ahead (and beyond!)

Hopefully your student knows they can count on me as well as their Homebase classmates in the year ahead! If you have any questions or concerns, please don't hesitate to contact me at any time. I am very happy to help!

**\*Reminders for October:**
