Student-Led Conferences

begin in the center of the Gymnasium or Cafetorium with student(s) sharing the information prepared in their **Student-Led Conference Folders** with their parents.

When finished with review of information in the folder, identify which questions/concerns you may have and which staff members (if any) you need to meet with. Staff members are available to conference with students/parents arena style in Gymnasium and Cafetorium as needed.

If you have ANY questions, Please stop by the Front Office - We are here to help!
