School Hours:
7:50 a.m. - 2:26 p.m.

Lake Middle School is one of **4** South Washington County middle schools.

LMS has **110+** caring staff members who encourage and personalize learning for each student.

1,160+ students are enrolled at Lake Middle School.

LMS is part of the Farm to School program which provides students with locally grown, nutritious foods. All meals meet or exceed USDA standards.

30 extracurricular activities allow each student to find their own passion.

Schoolology is an online learning platform that helps students, parents and teachers coordinate learning.

Spotlight on LMS

At Lake Middle School, each grade is divided into “houses,” in which a group of students works with one group of teachers throughout the school year. LMS offers a comprehensive curriculum designed to support all students in leadership, academics, kindness and excellence. LMS students take courses in digital citizenship and technology is integrated into all curriculum to help students develop skills for the 21st century. Students also have the opportunity to participate in fine arts such as art, band, choir and orchestra.

LMS staff provide encouragement and support allowing each student to develop into an individual who make a difference in the local and global community. LMS also offers many extracurricular and leadership opportunities including athletics, music, theater, robotics and service-learning clubs.

“ ”

“We are committed to encouraging and supporting our students in developing strategies in their thinking, learning and communicating in order to become ‘difference makers’ and create meaningful and successful experiences for themselves and others”

– **Molly Roeske, LMS Principal**
